Thank you to all of our observers for today, I hope you have all thawed out!!

We always appreciate feedback on our events and are always looking to improve what we do, I would however ask that this is done in a constructive, polite manner taking into account the effort and time that is put in by volunteers for your enjoyment.

Many thanks for your support in 2013, from all at West of England we wish you and your families a Merry Christmas and Happy New Year.
